NWF Olympian Feed Range

For pedigree & show livestock.

The NWF Olympian feed range has been developed with pedigree and show animals in mind.

The range is formulated with higher levels of micronized flakes and oats. Quality protein sources including soya and protected rape to develop the animal to its genetic potential. Lucerne, Yea-Sacc®, linseed and locust beans can be included to increase palatability and rumen stability.

Olympian Calf Starter

For the best start in life

A highly palatable 18% protein high energy calf mix containing soya, protected rape, micronized peas, beans, and maize.

Olympian Calf Grower

For growing cattle

Formulated for high growth rates while maintaining good condition and muscling using quality proteins along with high energy levels.

Olympian Bull Finisher

For the final push before show/sale

A low protein high starch mix to maximize condition and bloom. Includes Yea-Sacc®, acid buff, sugar beet and maize for rumen stability.

Olympian Lamb Starter

Provides a balance of quality protein and energy to grow frame to fulfil genetic potential. Generous levels of mixed flakes to increase palatability and encourage intakes.

Olympian Tup & Lamb

An ideal mixture for growing lambs and shearlings before show or sale.

Olympian Special Sheep Mix

A high energy show mix for all classes of sheep to be fed in the final build up to show or sale to enhance condition and bloom.
